Three Options:

1. Department of Health – Williamsport Located in C.A. Reed Building (Faxon Exit) 1000 Commerce Park Drive Suite 106 Williamsport PA 17701 Entrance # 2 Note: When you visit the Dept. of Health, you will be requested to have HIV testing, however, you may opt to decline this test. There is no cost for Hepatitis A, Hepatitis B and Tetanus vaccines. Hep. A & B are given as a combination and are a series of 3 injections. The second injection is one month following. The third injection is 5 months following. You MUST schedule an appointment weeks in advance. There are specific days throughout the month that specific types of vaccines or boosters are offered. Office hours are Monday through Friday 8:00a.m. to 4:30p.m. Call Holly or Karen at Dept. of Health at 570-327-3440

2. Dr. Richard & Jean Niemeyer - Leola (Lancaster)

146 East Main Street Leola PA 17540

Jean's Cell: 717-538-5075

Work: 717-656-2141 Home: 717-394-2081 Richard's Cell: 717-203-4994

Email: rhnmd12@aol.com

Dr. & Mrs. Niemeyer have agreed to waive

office fee, administrative fee, & to only charge “cost” for vaccines

for I-TEC volunteers. Please contact Jean Niemeyer via her cell phone

to schedule an appointment and discuss the specifics of your pending trip.

3. Geisinger Medical Center – Danville - Infectious Disease Dept. 570-271-6408

Serving Missions Worldwide
